Subject: Mid-Semester Examination Time Table for Autumn 2021-22

Please find herewith the mid-semester examination time table (Autumn 2021-22 session) for common courses, B.Tech., Dual Degree, 4 yr. BS., 2 Yr. M.Sc. and slots for other UG/PG courses. Examination for other courses (which are not mentioned in timetable) are to be held as per timings provided for the different slots. A course instructor may choose not to conduct mid-semester examination for a course. To ensure integrity of the exams, remote proctoring must be carried out. Updated details of how to carry out remote proctoring will be shared soon separately. Some students may miss a mid-semester exam due to emergencies at home, and some PG students may have a conflict with their undergraduate exams. In such cases the faculty may conduct a make-up mid-semester exam at a mutually convenient later date.

As per the academic calendar approved by the Senate, the Examination is slotted continuously for 6 days and hence there will be examinations on Saturday.

As the mid-semester examination will be conducted online, no seating arrangement will be available (seating plans for students on campus may be announced later, if required). The time listed here is the reporting time, and the 2 hour exams will start 30 minutes into the scheduled time. Additional 30 minutes of the available time may be used in case of any technical glitches. An examination of shorter duration may be conducted as per the choice of the course instructor.

The timetable is also made available on <http://www.iitb.ac.in/newacadhome/timetable.jsp>
